

Let's go Tubing!

Greetings!

Thank you for your interest in working for Let's Go Tubing this summer. Each summer we have several great opportunities for new staff to join our team, from equipment handlers to cashiers to supervisors and more. We can offer you a fun outdoor work environment *and* you can gain some real work experience in customer service, phones and reservations, cashiering, driving, equipment handling, and staff supervision.

We offer a fun introductory river experience to our guests. We have the finest deluxe float tubes in the country, we operate on mild class I rivers at City and State Parks, campgrounds, and public and private beaches. We encourage our guests to picnic, bring their kids, and even bring their dogs! Our trips are self guided but are full service with maps, well maintained equipment, courtesy shuttle, and extremely helpful and friendly staff.

We maintain a high level of service at Let's Go Tubing! We're a small company, about 20 employees every summer, we have staff barbeques and river trips, and you can make some friends and have a great work experience. We expect hustle, punctuality, thoroughness, and super friendly interactions with our guests. Although we expect hard work, we also know that this is your summer job and you need to have fun while you make money. Our work environment is fun but we also allow time for you to make plans with your friends for summer outings than keep you going throughout the year. Let's go Tubing! is proudly a non smoking company.

Please complete the attached application and supplemental questions and send it to us right away. Your fun summer job is waiting!

Thanks again for your interest,

Dave Johnson
